TELEPHONE SUPPORT:

To talk to a trained Breastfeeding Supporter, who is a mother in her own home, phone the Department of Health helpline. Landline calls are answered locally.

☎ 0300 100 0212

9.30am - 9.30pm every day

Do try later if you don't get an answer straight away.

Remember that you can also contact your Midwife or Health Visitor for help with breastfeeding.

Calls will cost no more than 5p per minute from a BT landline. Calls from mobiles and other networks may vary.

Breastfeeding Outside The Home

In Blackpool and North Lancashire we are pioneering a scheme to promote the rights of the infant to be breastfed whenever and wherever it is hungry. We ask local business premises to sign up to standards for welcoming breastfeeding in their premises, and record them on a list updated often, and available on our website. They can be identified by a sticker, shown left. See www.NWNWBabyFriendly.org.uk for more details and listings.

To discuss Baby Friendly implementation contact a member of the Baby Friendly Project Team:
